CAN-DO KIDS CLUB

IN PARTNERSHIP WITH NEW VISION PARTNERS
AT THE CORAL CENTER

CAN-DO Kids Club began in 1994, and has served hundreds of children in the Pasadena area with high quality after-school enrichment and academic programs. CAN-DO Kids Club is under the direction of Jennifer Wiebe, M.A., an experienced, credentialed teacher. Our distinctives are a low-staff student ratio, a focus on literacy development, enrichment classes, music instruction, and moral training. We see significant academic improvement in our students, as we work in concert with our local schools. Long-term relationships are at the heart of our mission, as we desire to see our children become all that they were created to be.

CAN-DO Kids Club is a K-6 daily afterschool program serving the children of Jefferson and Longfellow elementary schools. The cost is free, but families must earn parent participation points.
